Blue Cross® and Blue Shield® of Minnesota and Blue Plus® are nonprofit independent licensees of the Blue Cross and Blue Shield Association. Doctor on Demand is an independent company providing telehealth services. Doctor on Demand does not provide Blue Cross products and services. Doctor on Demand is solely responsible for its telehealth services and is not available in every state. Doctor On Demand operates subject to state laws. As of 8/21/15, Doctor On Demand offers behavioral healthcare in all 50 states, and medical care in 47 states (not currently available in AK, AR and LA). Doctor On Demand is not intended to replace an annual, in-person visit with a primary care physician. *Doctor On Demand physicians do not prescribe Scheduled I-IV DEA Controlled Substances, and may elect not to treat or prescribe other medications based on what is clinically appropriate.
